1) Call to Order

Jon called the meeting to order at 7:00pm.

2) Regular Board Business

The Board had a brief discussion about the recent Hearing for the Oustinoff Road extension. It was restated that any possible development of the Sizen property would be subject to review by the DRB, and is out of the Select Board's purview.

Matt gave the Road Report. There have been a few large bills recently for repair to the 2003 and 2008 Macks. He also spoke about the strain on the road crew during storms and whether they are taking enough rest time.

There was a discussion about the possibility of suing the flooring contractor or general contractor of the Town Office due to the difficulties we've been having with the flooring. The Town's attorney is looking into this situation.

The Board discussed their slide presentation for Town Meeting.

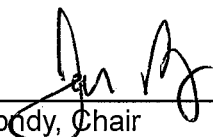

3) Adjourn

Meeting adjourned at 9:00pm.
