ACCESS PERMIT

NOTICE: This permit is issued in accordance with Title 19, §1111(b), V.S.A. relative to all highways within the control and jurisdiction of the Town of Fletcher. The issuance of this permit does not release the applicant from any requirements of statutes, ordinances, rules and regulations administered by other government agencies. The permit will be effective upon compliance with such of these requirements as are applicable and continue in effect for as long as the present land use continues. Any change from the present land use will require a new permit. This permit is issued subject to the directions, restrictions and conditions contained herein and on the reverse of this form and any attachments hereto, and covers only the work described in this application, and then only when the work is performed as directed. Violations are subject to the penalties set forth in Title 19, §1111(b), V.S.A. of fines of not less than \$100 nor more than \$10,000 for each violation.

Directions, Restrictions and Conditions: If a culvert is required and installed within the Town's ROW, it must be grey HDPE or galvanized corrugated metal. All culverts should be installed with clean material, free of rocks larger than 3 inches, and compacted in lifts. Upon inspection and approval of culverts installed within the Town's ROW, the Town of Fletcher will assume maintenance responsibilities for the culvert and adjacent ditches as necessary.
